SENATE VOTES BONUS BILL

Three Optional Plans For World War Veterans Contained in Measure.

Washington, Aug. 31 .- The four billion dollar soldiers' bonus bill was passed today by the senate and now goes to conference.

The vote was 47 to 22 with party

fines wiped out.

As amended by the senate the soldiers bonus bill would become ef-Sective January 1, 1923, and would provide three optional plans for veterans of the world war other than those whose adjusted service pay would not exceed \$50. These would be paid in cash. The options are:

Adjusted service certificates payable in 20 years or sooner at death and containing loan provisions.

Vocational training aid at the rate \$1.75 a day for a total of 140 per cent of the adjusted service credit.

Aid in Home Purchase. Aid in purchasing a farm or home total amount to range from 100 per cent of the adjusted service credit If the money were advanced in 100 per ceat of the adjusted service credit payment were made in 1928 or thereafter.

Adjusted service pay or adjusted service credit would be figured on the and \$1.25 a day for foreign service, vival. less than \$60 paid at discharge. But in no event could the amount of the credit of the veteran who performed no overseas service exceed \$500 and the endowment of the credit of the veteran who performed any overseas service exceed \$625.

Adjusted service certificates would have a face value equal to the sum adjusted service credit of the veteran issued by 25 per cent, plus interest thereon for 20 years at the rate of 41/2 per cent a year, compounded.

Until January 1, 1926, any national bank or any bank or trust company incorporated under the laws of any state, territory or possession or the District of Columbia would be authorized to loan to a veteran upon his promissory note, secured by his adjusted service certificate, any amount hot in excess of 50 per cent of the total of the adjusted service credit, plus interest thereon from the date of the certificate to the date of the loan at the rate of 41/2 per cent a year
